Stay and Play Session and Parent Interaction

Applicants proceeding with the admission process will be invited to school in November 2026 for a "Stay and Play" session, along with a brief parent interaction.

The Stay and Play session will provide an opportunity for our teachers to:

- Understand each child's interests and individual needs
- Observe the child in a comfortable and engaging environment
- Understand any learning or support needs
- Prepare our teachers to support the child effectively in the new academic year

The parent interaction will provide an opportunity for the school and parents to discuss the child's interests, routines and individual needs and to share relevant information that will support a smooth transition to KG1.
