

### **Report on UAE FLAG DAY**

**"The flag is the embodiment of our history, culture, and values. It represents the spirit of our nation." - Sheikh Zayed bin Sultan Al Nahyan**

"In a vibrant display of unity and national pride, the students and teachers of BRS, along with our Emirati staff, came together on a crisp morning to celebrate UAE Flag Day. The day's events were filled with heartfelt moments, as students immersed themselves in learning about the significance of the UAE flag, its colors, and the values it represents. Our students and the Emirati staff led the assembly, sharing the importance and reasons behind celebrating the UAE Flag Day. They explained how the flag is a symbol of unity, pride, and the nation's identity. It represents the values and principles of the UAE and is a source of inspiration for its citizens. Our students listened attentively, absorbing the knowledge about the UAE flag.

Following the informative session, our Emirati staff, along with our supervisor, and Section heads hoisted the UAE flag. This ceremonial act marked the official start of the celebration. The sight of the flag soaring high in the sky filled the students with a sense of pride and unity. To make the moment even more special, colorful balloons were released into the air, symbolizing the hope and aspirations of the nation.

One of the highlights of the day was the hands-on activity organized by our Emirati staff from Grade 3 and 4. They introduced the students to a fun and creative activity: thumb printing on an outline map of the UAE flag using the flag's colors. The students thoroughly enjoyed this activity. This engaging activity helped the students to better understand the flag's design and colors and allowed them to actively participate in the celebration.

"The UAE Flag Day celebration at our school was a resounding success, instilling a deep sense of unity and understanding among our students. The flag hoisting, balloon release, and interactive activity brought the importance of the UAE flag to life, and the students participated with enthusiasm and a feeling of pride. The event not only celebrated the national symbol but also

served as an educational and memorable experience for all, reinforcing the values and identity of the UAE."
